TENEZ LA PORTE

Welcome to the 759th Military Police Battalion and the Lone Sentinel Family!

On behalf of the Command Team, we would like to take the opportunity to welcome all Soldiers, Family, and Friends to the Lone Sentinel Battalion. We look forward to your arrival and adding you to our team, as your contributions will be a vital part of the mission success.

There is great pride in serving under the 759th Military Police Battalion colors. The Battalion has a rich history of success, ranging from campaigns in World War II to our current mission across four continents. We are devoted to continuing the tradition through developing leaders of character committed to Army Values. Our command philosophy focuses on "Getting back to the basics – Mission Accomplishment and Taking Care of Soldiers and their Families."

Fort Carson, also known as the Mountain Post, is an exceptional place for Soldiers and Families to live, work, serve, and grow. You will find your experience here to be both challenging and rewarding. Please do not hesitate to reach out to your Sponsor to prepare you for the greater Colorado Springs area.

On behalf of every Soldier, Family Member, and Civilian, welcome to Fort Carson, the 759th "Lone Sentinel" Battalion, and the 89th Military Police Brigade Family!
