We would like to welcome you and your Family to the “Iron Gunners” of 4<sup>th</sup> Division Artillery (DIVARTY), 4<sup>th</sup> Infantry Division. We would also like to inform you a little about our organization and what to expect upon your arrival.

Our prestigious organization has a distinguished lineage that can be traced backed to 1917 and parallels American Military History through the World Wars, Vietnam and the Global War on Terror. The unit deactivated in 2007 as a part of a realignment of US Army units, and then reactivated at Fort Carson, CO on 22 October 2014 to continue on its distinguished legacy.

Being a member of the unit, you will have a rewarding experience establishing our solid foundation in the Iron Gunners. Disciplined professionals united by a positive culture are the cornerstone of our organization. Arriving in excellent physical condition and in accordance with height and weight standards demonstrates the foundation of a disciplined professional.

To assist you and your Family in your transition and preparation, you will be assigned a sponsor who will contact you in the near future. Ensure you establish contact with your sponsor, and keep your sponsor informed as you refine your PCS plans.
