

Mobilized Unit In-processing Center (MUIC)

The following will be accomplished at the MUIC:

- Unit processing in the areas of personnel, training, and logistics.
- Unit assigned to ADCON element.
- Training support programmed.
- Cross leveling of personnel and equipment initiated.
- Facilities assigned (billeting, mess, admin, motor pools).
- Initial assessment of overall unit status.

Overview (MUIC)

- ☑ DPTMS Mob provides unit with location & time of MUIC. MUIC is usually scheduled 48 hours prior to unit's MBSAD.
- ☑ Unit Advance Party (~3-5 individuals) arrives at designated location/time.
- ☑ Advance Party checks in at Reception station: receives overview & In-processing Checklist - Reception station notifies IOC of unit arrival
- ☑ Advance Party processes through each station IAW checklist. The advance party provides documentation as outlined in FORSCOM Regulation 500-3-3 and the Fort Carson Information Packet (provided to the unit prior to mobilization).
- ☑ Upon completion of MUIC; unit returns to Reception station to drop off Checklist
