**EVANS ARMY COMMUNITY HOSPITAL NEEDS YOU! (FLYER)**

DO YOU CARE ABOUT YOUR HEALTHCARE? DID YOU KNOW that WE NEED YOU and YOU CAN MAKE A DIFFERENCE?

Evans Army Community Hospital's Patient- and Family-Centered Care initiative needs more patients who care about the quality of their healthcare to participate on our Patient and Family Advisory Council (PFAC). Please consider becoming a part of this opportunity to guide patient care and services. We especially need more representation from young men and women from our active duty and civilian population. This council consists of TRICARE beneficiaries (Service & Family Members and Retirees) and hospital leaders and staff. The council assesses current policies, operations, programs and practices that affect the care and services patients and Families receive and it designs, implements, and evaluates changes when necessary. The monthly meetings last about 1 to 1 ½ hours and council members should be able to attend a minimum 8 meetings per year. INTERESTED? Pick up an application within the Patient Advocate Office; located by the Main Entrance (West Side; use Parking Lot A) of the hospital (Room 1011). HELP US improve the care Evans delivers. Join the Patient and Family Advisory Council (PFAC) today! For more information call (719) 526-7225.

**“Patient and Family Advisory Council”  
(PFAC)**

**WE WANT YOU!** Your valuable knowledge and interactions makes you a potential candidate! You know how it feels as a patient or family member when things work well. You also know when things don't work so well. If you can give 1½ hours per month, please contact: Cynthia Brisby, Chief, Patient- and Family Centered Care at (719) 526-7225, or come into the Patient Advocate Office (Rm 1011) within Evans Army Community Hospital!!!
