History. This publication is a rapid action revision (RAR). This RAR is effective 29 May 2009. The portions affected by this RAR are listed in the summary of change.

Summary. This regulation outlines the policies and guidance for remission or cancellation of indebtedness to the U.S. Army. It allows all Active Army Soldiers and those in the Active Guard/Reserves program to submit an application for remission or cancellation of indebtedness to the U.S. Army. Guidance is included on the submission and processing of applications for remission or cancellation of indebtedness to the U.S. Army. It also provides guidance for Soldiers who have been released from active status to include Army National Guard and Reserve Components that have incurred a debt to the U.S. Army. This revision includes provisions for commanders to request remission or cancellation of indebtedness on behalf of two or more active duty Soldiers for similar circumstances based solely on injustice. It also eliminates the requirement for a General Court-Martial Convening Authority to act on cases when the

Soldier's immediate commander has not resolved suspension of debt, pending Human Resource Command's decision, or when Defense Accounting Officer/Financial and Accounting Officer or United States Property and Fiscal Officer (as applicable) determines that the interests of the U.S. government could not be adequately protected if the debt was suspended.

Applicability. This regulation applies to the Active Army, the Army National Guard/Army National Guard of the United States, and the U.S. Army Reserve, unless otherwise stated. Also, it applies to the Army National Guard/Army National Guard of the United States members on inactive duty training or active duty for training who are liable, as a result of a report of survey, for property issued by the United States to the Army National Guard/Army National Guard of the United States that is lost, damaged, or destroyed as of 30 September 1980. The debt must be under the control of the Department of the Army and have occurred while the member served on active duty, except the Army National Guard/Army National Guard of the United States as noted above. During mobilization, the proponent may modify chapters and policies contained in this regulation.

Proponent and exception authority. The proponent of this regulation is the Deputy Chief of Staff, G-1. The proponent has the authority to approve exceptions or waivers to this regulation that are consistent with controlling law and regulations. The proponent may delegate the approval authority, in writing, to a division chief within the proponent agency or its direct reporting unit or field operating agency, in the grade of colonel or the

civilian equivalent. Activities may request a waiver to this regulation by providing justification that includes a full analysis of the expected benefits and must include formal review by the activity's senior legal officer. All waiver requests will be endorsed by the commander or senior leader of the requesting activity and forwarded through their higher headquarters to the policy proponent. Refer to AR 25-30 for specific guidance.

Army management control process. This regulation contains management control provisions in accordance with AR 11-2 and identifies key management controls that must be evaluated (see appendix B).

Supplementation. Supplementation of this regulation and establishment of command and local forms are prohibited without prior approval from the Deputy Chief of Staff, G-1 (DAPE-PR), 300 Army Pentagon, Washington, DC 20310-0300.

Suggested improvements. Users are invited to send comments and suggested improvements on DA Form 2028 (Recommended Changes to Publications and Blank Forms) directly to U.S. Army Human Resources Command (AHRC-EPO-P), 2461 Eisenhower Avenue, Alexandria, VA 22331-0455.

Distribution. This publication is available in electronic media only and is intended for command levels A, B, C, D, and E for the Active Army; A, B, C, D and E for the Army National Guard/Army National Guard of the United States; and D for the U.S. Army Reserve.

*This regulation supersedes AR 600-4, dated 1 April 1998. This edition publishes a rapid action revision of AR 600-4.

Glossary

Chapter 1 Introduction

1-1. Purpose

This regulation gives instructions for submitting and processing applications for remission or cancellation of indebtedness to the U.S. Army. Applications must be based on injustice, hardship, or both. This includes debts caused by errors in pay to or on behalf of a Soldier (DOD 7000.14-R, volume 7A, chapter 50, paragraph 5004). Waiver of erroneous payments of pay and allowances and travel or transportation may be considered under AR 37-104-4, chapter 32.

1-2. References

Required and related publications and prescribed and referenced forms are listed in appendix A.

1-3. Explanation of abbreviations and terms

Abbreviations and special terms used in this regulation are explained in the glossary.

1-4. Responsibilities

a. The Secretary of the Army may remit or cancel a Soldier's debt(s) to the U.S. Army or its instrumentalities, (including Non-Appropriated Fund Instrumentalities) if such action is in the best interests of the United States, the debt was incurred while on active duty or on active status, and Soldier received an honorable discharge (if separated from active duty). This responsibility is by authority of Section 4837, Title 10, United States Code (10 USC 4837).

b. The Secretary of the Army may remit or cancel for good cause an Army National Guard (ARNG) member's liability when property issued by the United States to the ARNG is lost, damaged, or destroyed. This action is by authority of 32 USC 710(c), and applies to liability determined as a result of losses which occurred after 30 September 1980. The loss must be subject to a determination of liability under AR 735-5, paragraph 13-41.

c. The Secretary of the Army has designated the Commanding General (CG), U.S. Army Human Resources Command (HRC) to act for him or her in processing applications (see *a* and *b*, above). This will be done per this regulation.

d. The ASA (M&RA) will consider applications that are not within the authority of the CG, HRC. They must show unusual circumstances within the scope of the authority of the Secretary of the Army (10 USC 4837 and 32 USC 710(c)).

e. The proponent of this regulation is the Deputy Chief of Staff (DCS, G-1). The DCS, G-1 has the authority to approve exceptions to this regulation that are consistent with controlling law and regulation. The proponent may delegate the approval authority, in writing, to division chief within the proponent agency in the grade of colonel or the civilian equivalent.

f. The CG, HRC will—

(1) Prepare policy and procedures for processing applications for remission or cancellation of debts to the U.S. Army.

(2) Process applications for remission or cancellation of debts to the U.S. Army; and when appropriate, send the application for exception to policy with a recommendation to the Assistant Secretary of the Army (Manpower and Reserve Affairs) (ASA(M&RA)) for final decision (see *d*, below).

(3) Maintain reports on the processed applications.

(4) Carry out the objectives of this regulation in all cases to protect the rights of the Soldier and the interests of the Army.

(5) Advise and assist the directors of Headquarters, Department of the Army (HQDA) agencies, commanders of major Army Commands (ACOM), and the State adjutants general on matters pertaining to remission or cancellation of debts to the U.S. Army.

g. Agency Heads of Headquarters, Department of the Army (HQDA), and commanders of Army commands, installations, and activities need to have knowledge of AR 340-21 and AR 25-55.

1-5. Objectives

The objectives of remission or cancellation of debt are to—

a. Remit or cancel debts to the U.S. Army that are considered to be unjust.

b. End hardship or undue suffering.

1-6. Indebtedness to the U.S. Army that may be remitted or canceled under 10 USC 4837

A Soldier's debts to the United States Army may be remitted or canceled on the basis of this regulation in cases arising from—

a. Payments made in error to a Soldier.

b. Payments made in excess of an allowance on behalf of a Soldier.

c. Debts incurred while serving on active duty as a Soldier.

- d.* Debts acknowledged as valid.
- e.* Debts for which an appeal has been denied (DOD 7000.14-R, volume 7A, paras 5004 and 5005; AR 37-104-4, chapter 32; or 10 USC 2774).
- f.* Debts for which a waiver has been denied (DOD 7000.14-R, volume 7A, para 5007; AR 37-104-4, chapter 32; or 10 USC 2774).
- g.* Debts established as a result of financial liability of investigation of property loss (AR 735-5, chap 13). (See paras 1-7 and 1-11*d*).

1-7. Indebtedness to the U.S. Army that may be remitted or canceled under 32 USC 710(c)

On the basis of the standards of this regulation, a debt incurred to the U.S. Army by an ARNG Soldier may be remitted or canceled under certain conditions. The debt must be established in a financial liability of investigation of property loss (AR 735-5, chap 13) for a loss, or destruction of, or damage to, Government property issued to the ARNG. The remission or cancellation may only be requested for losses, destruction, or damage occurring after 30 September 1980. (See para 1-11*d*.)

1-8. Indebtedness to the U.S. Army that may not be remitted or canceled under 10 USC 4837

Indebtedness to the U.S. Army will not be remitted or canceled under the following conditions:

- a.* When a Soldier's pay is not reduced promptly in connection with forfeiture of pay imposed by a court-martial sentence or under article 15 of the Uniform Code of Military Justice (UCMJ).
- b.* When debt is incurred while not in an active duty status.
- c.* If a Soldier will receive less than an honorable discharge at time of separation.
- d.* When a Soldier is held liable for damage or loss of property to another branch of Service.
- e.* When debts are due to loss of public funds obtained or converted to own use through fraud, larceny, embezzlement, or other unlawful means.
- f.* When debts are due to fines imposed by court-martial sentence.
- g.* The amount is \$150 or less and based on hardship only.

1-9. Indebtedness to the U.S. Army that may not be remitted or canceled under 32 USC 710(c)

Debts to the U.S. Army will not be remitted or canceled—

- a.* When a Soldier's pay is not reduced promptly in connection with forfeiture of pay imposed by a court-martial sentence or under the Uniform Code of Military Justice (UCMJ), Article 15.
- b.* When debt is incurred while not in an active duty status.
- c.* If a Soldier will receive less than an honorable discharge at time of separation.
- d.* When a Soldier is held liable for damage or loss of property to another branch of Service.
- e.* When debts are due to loss of public funds obtained or converted to own use through fraud, larceny, embezzlement, or other unlawful means.
- f.* When debts are due to fines imposed by court-martial sentence.
- g.* If the amount is \$150 or less and based on hardship only.

1-10. Reducing problems of indebtedness to the U.S. Army

a. The commander is responsible for helping the Soldier to resolve personal debts, including errors in pay. The monthly review of the unit commander's finance report will highlight possible erroneous payments. The Battalion S-1 (BN S-1), Brigade Combat Team/Brigade S-1 (BCT/BDE S-1), and the Defense Accounting Officer/Finance and Accounting Officer (DAO/FAO) will help commanders resolve indebtedness caused by administrative actions. It is incumbent upon commanders, BN S-1s, BCT/BDE S-1s, and DAO/FAOs involved in identifying indebtedness and processing requests for remission to expedite the process to minimize possible out-of-service debt.

b. Soldiers must make sure that their financial accounts are correct. They must review their monthly leave and earnings statement (LES) and report errors or discrepancies to the commander and the DAO/FAO. The most common areas for errors in the LES are as follows:

- (1) Leave balance.
- (2) Receipt of basic allowance for housing (BAH) or the cost of living allowance (COLA) at the "with dependents" rate when it should be at the "without dependents" rate.
- (3) Family separation allowance (FSA) when the Soldier is divorced and does not have legal custody of the child or children.
- (4) Overseas housing allowance (OHA) based on incorrect station code or rent amount.
- (5) Entitlements not stopped at the proper time (that is, Combat Zone Tax Exclusion (CZTE), Hardship Duty Pay – Location (HDP-L), Imminent Danger/Hostile Fire Pay (ID/HFP), Combat-related Injury Rehabilitation Pay (CIP), and so forth).

1-11. Conditions governing debt remission or cancellation

a. General. A Soldier indebted to the U.S. Government may request that the debt be remitted or canceled on the basis of hardship, injustice, or both. The debt must be within the scope of paragraphs 1-4, 1-6, 1-7, 3-5, and 3-6.

b. Limiting criteria. The CG, HRC will not consider the request if the following applies:

- (1) When a Soldier's pay is not reduced promptly in connection with forfeiture of pay imposed by a court-martial sentence or under UCMJ, Art. 15.
- (2) When debt is incurred while not in an active duty status.
- (3) If a Soldier will receive less than an honorable discharge at time of separation.
- (4) When a Soldier is held liable for damage or loss of property to another branch of Service.
- (5) When debts are due to loss of public funds obtained or converted to own use through fraud, larceny, embezzlement, or other unlawful means.
- (6) When debts are due to fines imposed by a court-martial sentence.
- (7) The amount is \$150 or less and based on hardship only.

c. Army Board for Correction of Military Records. Applications that may be considered for remission or cancellation, or waiver (AR 37-104-4, chap 32) should not be sent to the Army Board for Correction of Military Records (ABCMR). However, a Soldier may apply to the ABCMR under AR 15-185 if circumstances prevented consideration of all or portion of the debt for remission or cancellation of indebtedness. (For example, a Soldier is indebted for travel or transportation allowances and the debt was collected before the application was signed by the commander or the Soldier separated from active duty before a final decision was made.) If the ABCMR approves the application, any payments due will be processed under AR 37-104-4, chapter 32. Any application for remission or cancellation of indebtedness to the U.S. Army inadvertently sent to the ABCMR will be forwarded to HRC for consideration.

d. Financial liability of investigation of property loss. Applications for remission or cancellation of debts to the U.S. Army as a result of a financial liability of investigation of property loss are considered, if based on hardship only. See 1-11*b*, above, for limiting criteria. A copy of the financial liability of investigation of property loss must be submitted with the application. Requests based on injustice are not proper for consideration of remission or cancellation. If the Soldier believes the financial liability of investigation of property loss is erroneous or unjust, an appeal may be made under AR 735-5. Final action on the application may be taken before a decision on the appeal, when such action is in the best interests of the United States.

e. Determining collection or proration. Determination concerning collection or proration of debt to the U.S. Army pending final action on an application is made by DFAS. DFAS will contact the individual with how the debt will or may be paid.

f. Final action. Approval, partial approval, or disapproval of an application for remission or cancellation of indebtedness to the U.S. Army has no bearing on a Soldier's entitlements.

1-12. Determining injustice or hardship

The ASA(M&RA), or CG, HRC, following the standards in this regulation, determines injustice, or hardship on the basis of the information received. The following factors will be considered:

- a.* The Army's policy in the area of indebtedness to the U.S. Army (for example, excess leave or BAH while living in Government housing).
- b.* The Soldier's awareness of policy and procedures. Past or present military occupational specialty (MOS), rank, years of service, and prior experience are taken into consideration.
- c.* The Soldier's monthly income and expenses.
- d.* The Soldier's contribution to the indebtedness to the U.S. Army by not having the situation corrected.
- e.* Additional income or assets (for example, spouse's salary, savings account, and bonds).

1-13. Additional factors for consideration in determining injustice

The application must contain evidence that—

- a.* The applicant did not know, and could not have known, of the error.
- b.* The applicant inquired of a proper authority and was told that the payment was correct.

1-14. Additional factors for consideration in determining hardship

- a.* Repayment will cause hardship because of excessive monthly expenses due to the following:
 - (1) Living in a high cost area.
 - (2) Living apart from Family members because of military orders.
 - (3) Number and age of Family members.
 - (4) Medical and dental bills that cannot be reimbursed.
 - (5) Other unusual expenses.

b. Expenses caused by living standards that are too high or by mishandling of funds are not a basis for a hardship case.

Chapter 3 Administrative Procedures for Processing Applications

3-1. Immediate commander

The immediate commander will assist the Soldier in applying under the regulation most advantageous to the Soldier (this regulation or AR 37-104-4, chap 32). Before asking for personal information, the commander will tell the Soldier of the “Data Required by the Privacy Act of 1974.” (See top of DA Form 3508). The commander will—

- a.* Help the Soldier prepare the application.
- b.* Make sure that the facts are complete and accurate. When necessary, he or she will do the following:
 - (1) Ask the DAO/FAO or United States Property and Fiscal Officer (USPFO), BN S-1, and/or BCT/BDE S-1 to explain the events that surround the debt to the U.S. Army.
 - (2) Confirm statements made by the Soldier.
 - (3) Obtain statements or documentation from officials or agencies to support allegations made by the Soldier.
- c.* Evaluate the application and all the evidence. Make sure that—
 - (1) The sworn statement is detailed and contains all data required in paragraph 2-5.
 - (2) All sections of DA Form 3508 have been completed if hardship has been claimed.
 - (3) “NA” is entered on DA Form 3508 where appropriate.

3–4. Finance and Accounting Officer, Battalion S–1 (BN S–1), or Brigade Combat Team/Brigade S–1 (BCT/BDE S–1)

Upon discovering a debt that may be remitted based solely on injustice for a group of ten or more Soldiers in their area of responsibility, the Finance and Accounting Officer, BN S–1, or BCT/BDE S–1 will—

a. Confirm the debt.

b. Ensure collection of the debt is stopped until a final decision is made.

c. Notify the commander exercising control over all Soldiers whose pay account is affected.

d. Provide roster with Soldier's names, SSNs, and amounts owed with memorandum requesting blanket remission for commander's signature.

e. Forward the request through servicing DAO/FAO to CG, HRC (mailing address contained in para 3–3e above) with an explanation of incorrect payment and justification for remission or cancellation based on injustice.

3–5. Soldiers who are separated from active duty to include ARNG, Army Reserve

Soldiers who were honorably discharged can apply for remission or cancellation of their debt. Debt must have incurred on or after 7 October 2001 to be considered and have incurred while in an active duty status. For submission instructions and assistance, contact the Defense Finance & Accounting Services, Out of Service Pay Section, at commercial (317) 510–6171, or DSN 699–6171.

3–6. Wounded warriors

Upon discovery of debt that may be remitted or cancelled for Soldiers who have been injured or wounded in action, to include disease and non battle injury, Finance and Accounting Officer will—

a. Confirm the debt.

b. Ensure collection of the debt is stopped until a final decision is made.

c. Notify commander exercising control over the Soldiers whose pay account is affected.

d. Submit Soldier's names, SSNs, and amounts owed with memorandum requesting blanket remission for their commander's signature.

e. Forward request through the servicing DAO/FAO to Commander, Defense Finance & Accounting Services, (DFAS–IN–PMTF/IN), 8899 East 56th Street, Indianapolis, IN 46249.

3–7. Collection and proration pending final action on application

a. Monies for a debt to the U.S. Army must be repaid by the end of the expected period of active duty Section 5514, Title 5, United States Code (5 USC 5514) or term of service. If repayment can be made, the following actions will be taken:

(1) Stop collection as of the date the immediate commander signs the application.

(2) Recredit to the Soldier's account any amounts collected on or after that date.

b. Determine if 5 USC 5514, is a factor and if the Soldier intends to extend the term of service or re-enlist (DA Form 3508, item 6). If so, he or she may request partial or total collection during the new enlistment if full collection of the debt to the U.S. Army before separation would—

(1) Require total or nearly total withholding of final pay.

(2) Cause hardship.

c. Determine whether or not it is possible to pay the debt to the U.S. Army in full before the end of the expected period of active duty or term of service. If not, the commander should direct the DAO/FAO or USPFO to prorate the debt by withholding the sum from the Soldier's pay. Amounts withheld after the commander signs the application will be refunded to the Soldier if the debt is remitted or canceled. The amount remitted or canceled is that which is proper as determined by the Secretary of the Army or his or her designee.

d. The following is an example of debt proration: The Soldier states that he or she does not intend to reenlist or extend the term of service or that he or she is undecided (DA Form 3508, item 6). The debt owed is \$1,000.08 and the ETS is in 12 months. Monthly expenses subtracted from monthly income leave a balance of \$150.00 (DA Form 3508, item 45c). Monthly expenses seem reasonable. The Soldier has no other available funds (DA Form 3508, item 40). A collection of the minimum amount over the maximum period of time (\$1,000.08 divided by 12 months) equals \$83.34. This amount withheld each month should not cause hardship to the Soldier or Family members. However, it will ensure payment of the debt to the U.S. Army by the end of the expected period of active duty or term of service. If the debt to the U.S. Army is remitted or canceled, any amount paid will be refunded to the Soldier.

e. Coordinate with the DAO/FAO or USPFO to reduce the amount withheld each pay period if the withholding of a Soldier's pay causes hardship.

3–8. Notification and disposition of final action

The CG, HRC will inform the servicing DAO/FAO or USPFO, in writing, of the final decision on the application. The DAO/FAO or USPFO will—

a. Adjust the Soldier's pay account when he or she receives notice of final action from HRC.

(1) If all items are approved, the DAO/FAO or USPFO will credit the Soldier's pay account with total amount approved for remission. This may include repayment to the Soldier for all or partial amount already collected.

(2) If the application is disapproved or is approved for partial remission, the DAO/FAO or USPFO will begin or reinstate collection. Reinstated collection will include the amounts withheld. If a refund is due because of partial remission or cancellation, the amount will be returned.

(3) Collection of amounts withheld normally will not be further suspended even if Soldier further appeals to the Army Board for Correction of Military Records. If hardship would result, paragraph 3–5 applies.

b. Send a copy of the decision to the Soldier, through the chain of command, with appropriate information included as follows:

(1) The status of the collection.

(2) The amount of pay withheld (if any) to be refunded to the Soldier.

(3) When the refund (if any) may be expected.

c. Send the following to Commander, DFAS, Denver CO 80279–7000:

(1) The original decision. This is proof of any repayment or for the renewal of collections.

(2) The document that disclosed cause, reason, category, amount, and inclusive period of indebtedness to the U.S. Army, such as DD Form 139.
