

POST SHUTTLE SERVICE

By popular demand, a free post circulating shuttle service for Military and Department of Defense Civilian personnel - and other riders on a space available basis - is being tested and needs your support. Each route has 2 shuttles that circulate to provide no more than 15 minute wait time at any stop.

Route V 2.0

SUSTAINABLE FORT CARSON
 Right Actions. Right Now!
www.facebook.com/SustainableMountainPost

Use the Bicycle and Running Trail Post map to find over 23 miles of multi use trails, bike lanes and walkways that connect you with other people and places on Fort Carson. Hike and bike with family and friends. Combine work and fitness by scheduling an "Active Meeting" such as a "Talk and Walk" or "Talk and Spin" at the gym instead of sitting around a conference table. Warm up for your workout the natural way - by walking or biking to the gym or a game.
