

Are you trying to get into the GT Prep/BSEP Class?

Then take the TABE 9D Test

Please go to Room 150 to receive a TABE Test Request Card prior to taking the test.

TABE 9D contains 3 sections:

Reading – 50 minutes

Math Computation - 24 minutes

Applied Math – 50 minutes

The Test is given every Tuesday at 0830 and 1300 and Wednesday at 1300. Please make sure that you are here 15 minutes prior.

Are you already in class and only need to take a certain section?

Then take the TABE 10D test for reading or math only.

Please let your instructor know that you are interested in taking the test. The Test is given every Tuesday at 0830 and 1300 and Wednesday at 1300. Please make sure that you are here 15 minutes prior.

If you are going to SFAS or any different type of military training that requires you to take the TABE 9A test, then you need to find out if you need the full battery, or just Reading or Math.

TABE 9A contains 7 sections:

Reading – 50 minutes

Math Computation - 24 minutes

Applied Math – 50 minutes

Language – 55 minutes

Vocabulary – 14 minutes

Language Mechanics – 10 minutes

Spelling – 14 minutes

The test is given every **Wednesday at 1300**. Please make sure that you are here 15 minutes prior the test.
