

Alcohol and Drug Abuse Hurts *Everyone* in the Family...

Fort Carson Employee Assistance Program Presents Prime for Life Workshops for DOD Civilians, Military Family Members, & Retirees

Employee Assistance Program

Course may be completed
by attending ASAP Alcohol
& Drug Awareness Training
ADAPT

PRIME For Life is an alcohol and drug program for people of all ages. It is designed to gently but powerfully challenge common beliefs and attitudes that directly contribute to high-risk alcohol and drug use.

The program goals are to reduce the risk for health and impairment problems.
