

Welcome to the Vanguard Team!

Congratulations on your assignment to Fort Carson and the 4th Engineer Battalion. I am sure you will find this assignment professionally challenging and personally rewarding.

Command Sergeant Major Robert Ferguson and I would like to welcome you to the 4th Engineer Battalion and to Fort Carson. You are now a part of an organization with a long and distinctive history dating back to 1861.

As you prepare to arrive, carefully review the information you've received so you can take advantage of all the services afforded to incoming personnel at Fort Carson – “Best Hometown in the Army – Home of America’s Best.”

As we train and execute our assigned missions, Vanguard Soldiers and Families should take full advantage of the nearly endless recreational opportunities here in Colorado Springs and the greater Colorado Springs area.

In addition to this welcome letter, you will soon receive “The Fort Carson Frequently Asked Questions” and an Army Community Services Sponsorship Packet from your assigned sponsor. You should find these documents useful as you plan your move to Colorado – if you have questions, there is a helpful resource guide in the packets you will receive to help you. If you can't find a resource or answer in the packet do not hesitate to call your sponsor for assistance!

We look forward to your arrival and we are honored to have the opportunity to serve with you and stand ready to assist with your transition to beautiful Colorado and into the Battalion. If you have questions during your transition, you can contact the S1 at (719) 526-0683.

Best Regards,

LTC Carl D. Dick

4th Engineer Battalion Commander
1517 Ellis Street, BLDG 1200
Fort Carson, CO 80913
