Dear Soldiers and Family Members,

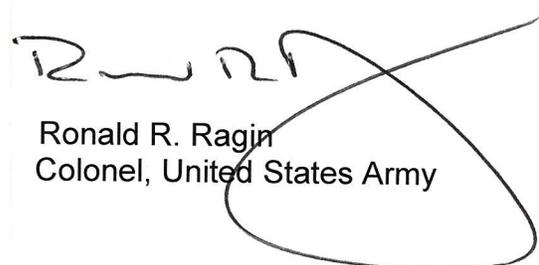

We would like to personally welcome you to the 4TH Infantry Division Sustainment Brigade. It is an exciting time for the Rough Rider team. As we continue to deter and defend our nations enemies, we strive to remain as adaptable, motivated and responsive to our new teammates and their families.

The pride of our organization is our people. Our Soldiers are characterized by a culture of leadership, high standards, values and discipline. Every mission, regardless of complexity, is executed to a standard of excellence. Our foundation is our families. Rough Rider families are balanced, resilient and strong. We love our nation, our profession and the opportunity to serve this nation as a Soldier in the United States Army.

Fort Carson, Colorado "the Mountain Post," is the best duty station in the Army. Colorado offers a multitude of opportunities for you and your family. Whether you enjoy hiking a 14,000 foot mountain, fly fishing, biking, trail running, white water rafting, skiing, zip lining or simply exploring new places, you will find all these activities in your new community. Our brigade is strongly committed to serving not only our Soldiers, but the families that support them. Fort Carson offers an impressive selection of military and family programs. For more information about what we do in our brigade and to get involved with Fort Carson upcoming events, like our Facebook page "4TH Infantry Division Sustainment Brigade" and the "US Army Fort Carson" page.

We want you to know that you, as part of the Rough Rider team, are our most important and greatest asset. Welcome to the best Brigade in the United States Army—Rough Riders!
