

## 4<sup>th</sup> ID Pre Ranger Program Overview

Unit Schools sections will submit ATRRS request for Ranger School Reservation through the 4<sup>th</sup> ID and Fort Carson IMT Schools Manager. Ranger School ATRRS reservations must be submitted before the FORSCOM suspense, 30 days prior to the start of Ranger School. Units cannot wait till after PRP is complete in order to request seats. Soldiers with valid ATRRS Reservations for Ranger School are also reserved for the corresponding 4<sup>TH</sup> ID Pre Ranger Program course. Soldiers in Reserved status will move forward to Pre Ranger Training once they pass the initial RPA. If a Soldier with a Reservation fails the RPA, the reservation to Ranger School is forfeited. The seat in PRP will be given to a Soldier in "wait" or "walk on" status that scores the highest on the initial RPA. At the completion of PRP, the NCOIC will manage all Ranger Reservations in 4ID. Reservations will be awarded to the individuals that score the highest on the Pre Ranger OML.

On the scheduled first day of the course, Pre Ranger Candidates will report at 0545 to McKibben Gym Track in vicinity of the climbing ropes on the south side of the track, in the appropriate level seasonal APFU with a water source and their entire Ranger Packet on Hand. Weather proof the packet if necessary. Arrive prepared to conduct a 4 event Ranger Physical Assessment (RPA).

Soldiers that are selected to attend Pre Ranger Training will be released following the RPA to conduct personal hygiene, chow, and to pick up their packing list. Pre Ranger Candidates will report to BLDG 9474 at 0930 with a Sponsor. Sponsor must be in the rank of SGT or above unless Ranger Qualified. Expect the Sponsor to be with the Ranger Candidate thru 1300 hours. At the 0930 report time, the uniform for Ranger Candidates is OCPs, boots, Camelbak, gloves and Clear eye pro. Ranger Candidate's uniform will be IAW ARTB standards per the Ranger School Packing list (i.e. cat eyes on Patrol cap, no patches or badges). Pre Ranger Candidates will have the entire PRP packing list, the entire Ranger School packing list, plus M4, NVGs with all ACH mounting hardware and Ranger packet on hand at that time.

The PRP Program of Instruction is a continuous 11 days of training that is conducted 21 days prior to the start of the corresponding Ranger School course. Once Ranger Candidates arrive to PRP they should have all personal, family, financial and administrative affairs settled in preparation to be unreachable the entire 11 days of training. After PRP Graduation, Pre Ranger Graduates will be released but stay attached to the PRP for Sustainment week training before they ship to Ranger School the following week.

4<sup>th</sup> ID Pre Ranger Program will replicate the standards and conditions of Airborne Ranger Training Brigade as closely as possible in order to provide the best preparation possible to Pre Ranger Candidates. Pre-Ranger Program trains Soldiers in Small Unit Tactics and Techniques. Pre Ranger Candidates do not have to shave their head for any portion of Pre Ranger Training. POVs, tobacco, supplements, smart devices or GPS watches are not authorized for the duration of the course. Ranger Candidates are allowed to report with a Cell phone, however that cell phone will be collected during in processing. Cell phones may be issued to Ranger Candidates prior to graduation on a case by case basis determined by the Senior RI. Pre Ranger Candidates are encouraged to pack a physical therapy item to utilize during their down time. (i.e. roll stick, bands, percussion massager, foam roller, rolling ball; 1 item per Pre Ranger Candidate, as long as it fits in your packing list bags)
