MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Commanding General's Open Door Policy

1. References.
   b. FORSCOM Commanding General Policy Memo 1, Open Door Policy, 21 March 2019.

2. Applicability. This policy applies to all military personnel, active or reserve, assigned or attached to 4th Infantry Division and Fort Carson units and tenant activities, regardless of location, as well as their Family members and Civilian employees.

3. Purpose. This policy allows members of the command to ensure that I am made aware of problems that affect discipline, morale, and mission-effectiveness. It also serves as a reinforcement mechanism to emphasize that our members have the ability to freely approach leaders and managers in order to present facts and discuss concerns and/or problems of a personal or professional nature that the member has been unable to resolve.

4. Policy. I am fully committed to ensuring that we are able to accomplish our assigned missions while simultaneously caring for personnel and property under my and my commanders' charge. This includes addressing concerns that are unable to be resolved through other channels. I am available to discuss any issue that requires my personal attention. The Commanding General's Open Door is not, however, an appropriate avenue to present matters or challenge processes where other remedies and procedures are already established pursuant to law or regulation. Nor does this policy supersede regulatory procedures for specific issues. See paragraph 5 for additional detail regarding separate regulatory process.
   a. No member will be reprimed against for requesting the use of or for utilizing this Open Door policy.

e. Commanders will establish an Open Door policy within their commands in accordance with AR 600-20, paragraph 2-2.

5. As outlined above, this Open Door Policy is not intended to create a parallel path to present matters where other remedies and procedures are already established pursuant to law or regulation. Requests to utilize this policy concerning matters pending final disposition through their respective administrative processes will normally be denied. Examples of such issues include, but are not limited to, ongoing disciplinary or adverse administrative actions, EO/EEO complaints, SHARP complaints, reassignments, Inspector General inquiries, Reprisal, and Civilian grading issues and grievances.

c. Complaints involving allegations of Reprisal or ongoing Inspector General Investigations should be processed in accordance with AR 20-1.

6. Proponent. Any questions or comments regarding this policy can be directed to the Secretary of the General Staff at 719-503-0014.
