For more information on the construction projects outlined, email the Directorate of Public Works Engineering Division point of contacts: jeffrey.w.morris38.civ@usa.army.mil, brett.a.sichmeller.civ@mail.mil, or james.a.bohall.civ@mail.mil.

As of 23 SEP 2020

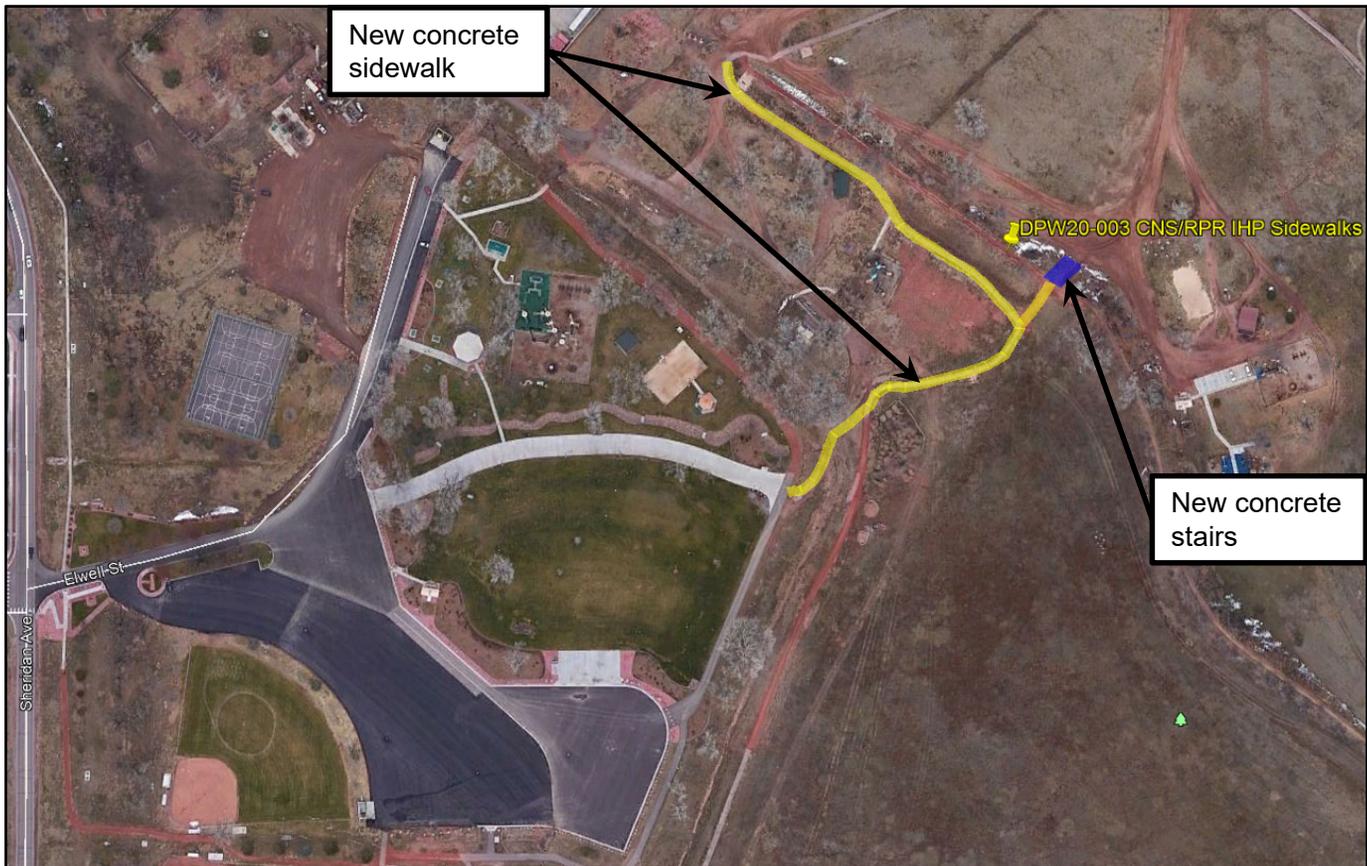

FY20 IRON HORSE PARK ELECTRICAL OUTLET PROJECT

- New electrical outlets at Iron Horse Park to support food vendors at events. Minimal impact to the public – minor excavation at outlet sites.
- Estimated completion date: Nov. 24, 2020
- Project POC: Jeff Morris, jeffrey.w.morris38.civ@usa.army.mil

FY20 IRON HORSE PARK IMPROVEMENT PROJECT

- Replace asphalt trail with concrete trail and install new concrete stairs east side of berm. Impact to the public will be no access to highlighted trails during construction.
- Estimated completion date: Nov. 25, 2020
- Project POC: Brett Sichmeller, brett.a.sichmeller.civ@mail.mil

FY20 PEDESTRIAN BRIDGE REPLACEMENT PROJECT

- Pedestrian bridge will be removed/replaced. Impact to the public will be no access until new bridge is installed. Yellow highlighted routes are detours.
- Estimated project start and completion date: Sept. 28 to Nov. 26, 2020
- Project POC: James Bohall, james.a.bohall.civ@mail.mil

FY21 IRON HORSE PARK WALKING TRAIL REPLACEMENT PROJECT

- Approved FY21 project to install new concrete sidewalk at Iron Horse Park entrance and replace existing asphalt walking trail. Impact to the public will be no or limited access to highlighted trail during construction.
- Estimated completion date: Summer 2021
- Project POC: Brett Sichmeller, brett.a.sichmeller.civ@mail.mil
