

**DEPARTMENT OF THE ARMY**  
2ND STRYKER BRIGADE COMBAT TEAM, 4TH INFANTRY DIVISION  
BLDG 9420 2751 WILDERNESS RD.  
FORT CARSON, CO 80913-6001

Future Warhorse Soldiers and Families,

Welcome to the 2nd Stryker Brigade Combat Team! I extend my warmest welcome to you and your Families as you join one of the newest Stryker organizations in the United States Army.

The Warhorse Brigade is one of the most deployed brigades to Iraq and Afghanistan in the U.S. Army, and our pride stems from a distinguished legacy of service to our nation that began in 1917 during the first World War. Our 19 Medal of Honor recipients include the only three Medals of Honor awarded in the 4th Infantry Division for service in Iraq and Afghanistan.

Our Brigade's top priority is placing people first, and you will find that we accomplish that in a number of ways, to include building cohesive teams, in-depth integration plans, holistic counseling standards, maintaining Soldier and Family Readiness Groups, and providing tough, realistic training.

We are disciplined, highly trained, physically and mentally resilient and always ready to deploy anywhere in the world to accomplish missions while taking care of Soldiers and Families. The bedrock of our formation are our Soldiers who are experts in the fundamentals.

As you prepare for your assignment to the Brigade, know that we need you and are anxiously awaiting your arrival. The Mountain Post is a great place to live and serve. Our local community is strongly supporting of our military and offers unique and world-class recreational and outdoor activities for you and your Family.

There are several ways to learn more about Fort Carson and the Warhorse Brigade. I recommend using the Fort Carson homepage at <https://www.carson.army.mil> which provides information on the post, upcoming events, agencies on post, and link to additional resources. Our Brigade S1 can be reached at 719-503-4015 and our Brigade Staff Duty number is 719-503-4009. Both can assist you with general questions, including connecting with your sponsor.

Our Brigade Command Family Readiness representative is available at 719-503-4899 to assist you with Family readiness needs. The Brigade is also very active on social media and can be found @WarhorseBrigade4ID on Facebook and @WarhorseBrigade on Instagram and Twitter.

I look forward to you joining our team and serving alongside you in the best Brigade Combat Team in the Army.

ANDY J. KISER
