4th Infantry Division and Fort Carson

Welcome!

Congratulations on your assignment to Fort Carson and welcome to the Mountain Post. The Soldiers of the 4th Infantry Division and Fort Carson have a proud and distinguished history, and we maintain a culture of excellence representing over 100 years of service to this great Nation.

The Ivy Division prioritizes "Mission, Soldier, Family, and Team." We are positioned to respond quickly and decisively when our Nation calls. When that call comes, we will be READY, just as Ivy Division Soldiers throughout history. During World War I, 4ID was the only division to serve in the British, French, and German sectors. During World War II, the division was called upon to unleash our unique flexibility as the spearhead element on Utah Beach, fighting tenaciously across France, in the Hurtgen Forest, and into Germany. In Vietnam, this storied division remained Steadfast and Loyal, earning 11 battle streamers. Since the start of the Global War on Terror, 4ID deployed in defense of freedom and answered our Nation’s call.

As you join the Ivy Team, we expect you to be READY. While we cannot choose where or when we fight, we will be READY, because #winningmatters and there are no second chances in combat. This means we are:

Respectful- Live by the Golden Rule and treat others as you would like to be treated.
Experts- Giving our best effort can only happen if we are committed to pursuing excellence in all our endeavors.
Athletes- Keeping ourselves "fit to fight" by living an active and healthy lifestyle, and through tough physical training to ensure we are stronger than our enemies.
Disciplined- Disciplined Soldiers create disciplined units and enforce Army standards. The courage to choose the harder right over the easier wrong.
You- You make the difference! Our history shows how individuals make the difference at critical times. You must be READY to make that difference and be accountable!

Families are an integral part of the Ivy Team. We know strong families make strong Soldiers. We know you and your family will love this area, but we also know moving can be difficult. As you transition, we encourage you to check out the 4ID and Fort Carson website and welcome video at www.carson.army.mil. Another great source of information and support is your unit’s Soldier Family Readiness Group (SFRG). You can reach out to Army Community Service (ACS) at (719) 526-4590 for help making that connection.
